

Champagne Pre-Order

We are extremely proud of the selection of both Champagne and Sparkling wines we stock in our underground wine cellar, but we cannot hold large quantities. To ensure we have what you would like during the festive season, we happily accept advance orders and will put your selections to one side for you ready for the evening in question.

Please email your orders to restaurant@tikaye.com

We will reply and confirm your order has been charged to your hotel reservation. If you are not staying at the resort but joining us for dinner, we will require a credit card to reserve your selected bottle.
